Holidays during term time

Parents do not have an automatic right to withdraw pupils from school during the school term for a holiday. Under the Education (pupil registration) (Wales) Regulations 2010, Head Teachers have discretion to authorise a holiday of up to 10 days during term time, over 10 days can only be authorised in exceptional circumstances.

All requests for holidays must be completed on the schools holiday request form and completed by the parents/guardians (These are available from the main office).

The Head Teacher will make the decision and may include the following contributory factors:

- Time of year.
- Length of time.
- Overall percentage of attendance.
- Impact on the child's learning.
