Lunchtime in Key Stage 2

Following discussions in School Council regarding the lack of space in the hall for eating, we have been trying a different system. Dinners continue to be in the hall, with sandwiches being supervised in classes. Following feedback from the children through School Council today, the system seems to be working well. The children feel that the atmosphere is calmer, quieter and they have a much more relaxed eating experience. We will therefore be continuing with the system, also using the outdoor areas when appropriate.

We will offer all sandwich children the choice of eating in the class or in the hall. If you would prefer your child to eat in the hall rather than in class please let the school know. Thank you.
