There's an artist inside all of us just waiting to get out - for some, it's Michelangelo and others it's Picasso ([the hog with the paintbrush](#)).

Either way, now is the perfect time to get to work on your masterpiece. Need a little help? Us too. So, we've had a look around for some art classes and projects to get involved with.

Whether you need a lot of help or just some motivation to get going, these will help you make your quarantine down-time as creative as possible.
