## FSM cooking on a budget

WLGA have produced some helpful leaflets for FSM families who are receiving their FSM payments. The leaflets give ideas for meal planning and helping the shopping go that bit further with hungry mouths to feed.

## For younger ones....

Over the last few months I have been 'fortunate' enough to watch quite a few children's TV programmes. Its actually been great to see there are some fantastic cooking programmes out there for younger children, and educational too. Here are a few to inspire all small chefs - our favorite by far is 'My World Kitchen' - young or old- i'm sure you'll be hooked as well as inspired!

## Toddler Dinnertime: A Resolution in Rhyme

I really don't love cooking,  
But I really do love you.  
For you I would do anything,  
Even learn to cook a stew.

In my head I keep a list  
Of foods that you prefer.  
I know you like to help,  
So I always let you stir.

I cook for health and taste,  
Put a rainbow on your plate.  
I time it oh so carefully,  
Not too early, not too late.

Finally the moment comes  
To call you to your chair.  
We start the meal with such high hopes  
But soon there comes despair.

It makes your mama sad  
To see salmon on the floor;  
Mashed potato on the walls,  
Peas rolling out the door.

I know that before bedtime  
You just want to have more fun.  
But you haven't even had one bite,  
When I hear you shout "All done!"

So I've decided in the future,  
I'm going to save my time.  
You can have a sandwich.  
Mummy's having wine.
