

Foodbank Harvest Appeal 2020

Due to current circumstances, we will not be able to hold our annual Harvest service this year.

We are limiting the amount of cash handled in school. Therefore if you would like to donate to the foodbank this year, please see the link below which allows you to donate direct to them. Please do not send money in to school.

<https://wrexham.foodbank.org.uk/give-help/donate-money/>

You can donate by paypal, card or regular payment. Alternatively, cheques should be made payable to Wrexham Foodbank and sent to Wrexham Foodbank, Unit 1A Puleston Industrial Estate, Ruabon Road, Wrexham LL13 7RF. For on-line donations please contact the Foodbank by phone or e-mail and they will confirm the Foodbank account details.

Contact details are on their website.

We have had the following message from Wrexham foodbank:

I am writing to you as many of you very kindly and generously support us by asking pupils to donate to the Foodbank every Harvest time.

This year I would like to make the request that if you want to support us again you consider asking pupils to donate financially (e.g. 50p or £1) rather than with a food donation. This is for several reasons:

- 1) As a precaution during this time of Covid the less people that touch an item of food the less risk there is to the person receiving it.*
- 2) Our warehouse can only store a certain amount of food and sometimes it is a struggle when lots of people all donate in a short space of time.*
- 3) There are specific items we need and some that we have plenty of, this way we can buy what we need.*
