Message from the Head Teacher

Dear Parents/Carers,

In light of the current situation, we want to ensure that children have access to learning at home if they are required to self-isolate.

Class teachers will be sending out more information on how to access home learning and will be posting weekly activities to make sure the children are familiar with logging into their home learning account.

If you need any support with this, please speak to your child's class teacher.

Kind Regards,
Phil Dickson

Music Lessons

Music lessons will be resuming in October. Please can you let the school know if any children are interested so we can register them.

Children who were already having the lessons last year will also need to register

again.

For your
calendar:

Thank you to the children in Silver Birch class for their amazing solar system models!

Year 6 - Secondary Admissions

You can now apply online for your child's secondary school place for September 2021.

The closing date for online applications is November 6th 2020 so please make sure you apply by this date.

Online Payments

Where possible, please can all parents pay for school meals etc using online payments?

This reduces the amount of cash we have to handle in school and helps to prevent the possible spread of Covid-19.

If you have lost your login please ask at main reception.

The online payment system will be unavailable on Tuesday 22nd September due to an essential upgrade. You will be unable to make payments online on this day so any payments will need to be made in advance.
