Dear Parents/Carers,

RE: Children required to self-isolate

Many thanks for your patience and understanding this morning. We were made aware of two related positive cases in separate classes at 8:30am and took immediate action to notify the parents/carers of children required to self-isolate.

During today, I have been in contact with the Local Authority and the Public Protection Team who have confirmed the groups of children that are required to self-isolate after potential contact with the children who has tested positive for COVID 19. These groups are:

Group	Final day in self-isolation	Reason
Dosbarth Silver Birch	Tuesday 15 th December	Shared classroom
Dosbarth Rowan	Tuesday 15 th December	Shared classroom
Boys in Dosbarth Elm, Maple & Pine	Tuesday 15 th December	Shared toilets
Boys in Dosbarth Oak	Tuesday 15 th December	Shared toilets
Boys in Playgroup Plus	Tuesday 15 th December	Shared toilets

Please be aware that:

- Children in self-isolation do not need a test unless they show COVID 19 symptoms
- People living in the same household do NOT have to self-isolate, unless they or anybody in the household show symptoms

Home learning is available for your child on their google classroom. Your child **can come out of self-isolation and return to school on Wednesday 16th December 2020.**

I recognise that this will cause inconvenience and potential hardship if you are unable to work, but I am sure you appreciate the need to follow the guidance in order to limit the possible spread of infection. We have shared information regarding a local food bank and a coronavirus hardship fund on the school website and Facebook page today but should you need any further information or support regarding this please get in touch as we will do everything possible to help.

Kind regards
