Tuesday 2nd February 2021

Dear Parents/Carers,

I hope you and your families are keeping well and safe. Many thanks to those of you who responded to our remote learning questionnaire last week; it was helpful to hear how you are finding supporting children with their learning at home.

From Nursery to Year 6, staff at school have been amazed with the quality of work that is being submitted. We are proud of all the children and are extremely grateful for the support you are providing them during this difficult time. The class 'check ins' have been a real success and it has been brilliant to see the children reconnecting remotely with their classmates and teachers. I know for many of them, this has been a real boost for their wellbeing.

I recognise how challenging the current situation is and how every household faces different problems to overcome. Please do not hesitate to get in touch if you are struggling and we will do everything we can to help.

To keep up to date with school news please download the School Gateway app, follow us on Facebook and Twitter or check our website (www.maesymynydd.cymru). The school website displays the school Twitter feed which we use to share and celebrate the amazing learning that happens at school and at home. Please see below:
