Dear Moel Famau Parents/ Carers,

Blwyddyn Newydd Dda! I hope that everyone is well and that you have all had a good Christmas holiday. We are looking forward to the new term starting on Monday 10th January. Below is some information about this term.

Our PE session will now be on a **Monday** afternoon. On this day children should wear trainers/ pumps with black jogging bottoms/ leggings and their school t-shirt and sweatshirt.

Forest school will start again on **Thursday 13th January**, the first group will be the **Buzzy Bees**. Please make sure children wear warm clothes including hats and gloves.

If you haven't already done so, please remember to send in a pair of wellies for the children to wear during outdoor play and forest school sessions. It is also a good idea for children to leave a bag in school with a change of clothes in case they get wet or muddy.

During the Autumn term children have been visiting the school library on alternate Thursdays when they are not in Forest school. Starting this term children will be allowed to choose a book that they will bring home from the school library. They will be allowed to keep this book safely at home until their next visit to the library. If a book isn't returned children will be unable to bring any more books home. Please share the book with your child at home and fill in the book review by answering the questions.

Our topic this term is called 'Where does snow go?' and we will be using the story 'Blue Penguin' by Petr Horacek as our starting point. Children will have the opportunity to investigate ice, learn about penguins and find out what Antarctica is like. We will also be talking about friendship and creating portraits of our friends.

I look forward to seeing you all on Monday,

Mrs Evans
