

## Criw Cymraeg

We have been working hard with all member of the school community to develop and improve Welsh language skills.

This year we are hoping to achieve the Cymraeg Campus Silver Award after successfully gaining the Bronze in the Summer Term.

These are our targets for the Spring Term:

1. To develop and improve the use of Welsh language outside of the classroom e.g. Canteen, Playground, Corridors.
2. Develop a link with a local Primary school to practise and improve Welsh language skills e.g. Penpals
3. Create a rich Welsh language reading Culture in the school e.g. Participate in regular Guided reading sessions, Ks2 read welsh stories to Foundation Phase, Quality Welsh reading books in classes.

Diolch,
