HALLOWEEN SAFETY

Although Halloween is supposed to be spooky, don't frighten older people.

Only go to houses where you or your friends know the people who live there.

Stay in areas that are lit by streetlights, but take a torch just in case.

Stay with your friends - don't split into smaller groups unless you're with an adult.

Always go trick or treating with an adult.

Don't go inside any houses, always stay on the doorstep.

Don't knock on doors where there is a sign saying 'NO CALLERS'

making North Wales the **safest** place in the UK
