

In the Wild is a free family learning course, run over a school half term in one and a half hour sessions, aimed at families of KS2 children

Activities vary each week but include;

- > **Insect Identification**
- > **Tree Measuring and aging**
- > **Mindfulness**
- > **Den building**
- > **Crafts and more!**

All activities are suitable for KS2 children, providing local families the opportunity to get involved in their children's learning, creating memories and enjoying the great outdoors.
