**Governors Annual Summary Report to Parents**  
**Autumn 2025 (This covers academic year 2024/2025)**

Dear Parent/ Carers,

This is the Governors Annual Summary Report to Parents from the Governing Body of Ysgol Maes Y Mynydd, which outlines the summary of the responsibilities in the discharge of our duties. I would like to draw attention to some of the key milestones for the school during the last twelve months.

Building upon the excellent Estyn Inspection in November 2023, the school continues to go from strength to strength. Continuous improvements continue to be made to the indoor and outdoor environments to enhance the pupil experience.

The Flying Start provision at Ysgol Maes y Mynydd, which opened in September 2024, has grown beyond all expectations. A big thank you to all the staff involved in making the provision a huge success.

The start of the new term has also seen a new Resourced Provision at Ysgol Maes y Mynydd for pupils with additional needs. The provision provides for a small number of pupils requiring additional support.

Please be assured that the Governing Body will continue to actively support and challenge the school, and work with staff and parents to ensure that all pupils have a wide range of opportunities which enables them to achieve their full potential.

Best wishes to you all,  
Dymuniadau gorau i chi i gyd,

Mr Kevin Hughes.  
Chair of Governors.

The school has an annual school development/improvement plan, which identifies targets and focuses on what the school does well and what we need to do to improve. The targets are regularly discussed by staff and the Governing Body and monitored by the LA in termly meetings.

The school priorities for 2024/2025 were:

- To raise standards in Literacy and Numeracy
- To continue to develop high quality teaching and learning strategies to ensure the progress of all learners.
- To develop and embed a clear system of leadership across the school.
- To continue to build on attendance strategies from 2023/2024

### School sports

Pupils have access to a good range of sports and outdoor, active activities, including football, rugby, dance and residential visits. Children participate in competitive and non-competitive sporting events throughout the year.

At Ysgol Maes Y Mynydd, we celebrate good attendance and consistently monitor it. We have comprehensive procedures in place to address unauthorised absence such as regular contact between school and parents, and closely working with the Educational Social Worker.
